NOTE -- An initial escrow deposit of \$1,000 is required prior to plan review. Checks can be made payable to NHTMA. An additional escrow deposit may be required, depending upon the size of the plan.

This completed application should be submitted to the North Huntingdon Township Municipal Authority, along with two sets of preliminary plans and profiles, and the \$1,000 initial deposit. This submission must occur before the subdivision is recorded, in the event additional rights-of-way are required, or if revisions are necessary.

Preliminary plans must be received and reviewed before Planning Modules or Post Card Exemption Applications are processed. Plans located in tap restricted areas are required to pre-pay for all taps prior to post card approval.
