Customers of the North Huntingdon Township Municipal Authority (NHTMA) can now pay their sewage bills by using a credit card, debit card, or electronic check. Payments can be made on-line or by automated phone, 24 hours a day, 7 days a week.

Beginning November 19, 2010, customers may sign onto the Authority's website at www.nhtma.org, click on the link titled "Online Bill Payment System", and follow the easy instructions. Customers may also call 1-877-483-2190 to pay over the phone. A convenience fee of \$3.75 will be charged to the customer using this service.

NHTMA has entered into a contract with Paymentus Corp. whereby the convenience fees are paid by the users who choose this secure method of payment. Because processing fees are expensive, absorbing these costs might require a rate increase that could impact the costs for all customers, including those who do not use the service. Customers are advised of the fee up front, and have the option of declining before completing the transaction.

NHTMA also accepts payments by ACH banking, by mail, in person at the Authority office, or in the drop box located on the front of the Town House. For more information on payment options, please call NHTMA at 724-863-2860.
